Talk Again

- Being praying by using what you found out above.
 - What should you praise God for?
 - What should you repent of (attitudes, behaviors, etc.)?
 - What do you need to do differently?
- Continue to pray by telling God what you want and need today.

Rest

- Take a final moment to just enjoy God and His presence.
- “Be still and know that He is God.”

Who else?

- Take what you have learned and live it out today.
